
BEAR CREEK HIGH SCHOOL

These are estimations of how much time you will need to spend on homework each night to pass the class.

9th through 12th grade homework is based on the rigor of the student's course schedule. Average homework time is between 70 – 120 minutes per evening or 8 to 10 hours per week. These minutes are based on time estimated for an average student working at an average pace.

See board policy 6154: <https://www.lodiusd.net/board-of-education/board-policies>
